

Subject Index to Volume 65—July to December 1947

- Absenteeism.** Effects of long hours on; other reasons for. *July, 7-8, 10.*
- Accident statistics:**
- BLS program for reporting, fiscal year 1947-48. *October, 413.*
 - Disabling injuries (estimated) in United States, 1940-46, by severity. *October, 442.*
 - Manufacturing. Industries experiencing more than 20,000 industrial injuries in 1946, by industry group. *October, 443.*
 - Injury-frequency rates, by industry, first quarter 1947; preliminary annual rates for 1946. *July, 67-70.*
 - Injury-frequency rates, by industry, second quarter 1947, with cumulative rates for 1947 and final annual rates, 1946. *November, 559-561.*
 - Manufacturing and nonmanufacturing. Number of injuries, by severity and industry group, and frequency rates in specified industries, year 1946. *October, 442-446.*
 - Plastics products industry. Disabling injuries, 1946, compared with rate for all manufacturing; nature of hazards. *September, 296-297.*
 - Pulpwood logging, Northeastern, Great Lakes and Southern areas. Frequency rates, 1944, compared with rates for general logging and manufacturing. *August, 175-176.*
- Agriculture:**
- Child labor. State legislation, 1947, changing provisions concerning, in Connecticut, New York, and Hawaii. *September, 278.*
 - Employment statistics. Trends, 1910-47. *December, 649-653.*
 - Farm labor, trends in, wartime and postwar. *August, 139-147.*
 - Perquisites. Kind and value of, by region, furnished to hired farm workers, 1945. *August, 193.*
 - Production; indexes of, and production per worker, 1910-46; reasons for wartime increases. *December, 651-653.*
- American Federation of Labor.** Convention. (*See under Conventions, meetings, etc.*)
- Apprenticeship, United States:**
- Power laundries, cleaning and dyeing. Provisions for training apprentices, in collective agreements, 1946. *August, 163.*
 - State legislation establishing councils, 1947, summary. *September, 277.*
 - (*See under Legislation, U. S., by State, for specified State.*)
- Apprenticeship, Soviet Union.** Industrial training for youth; decrees providing for, summary. *November, 569-571.*
- Arbitration** (*See Conciliation and arbitration.*)
- Benefits.** Railroad workers. Sickness and maternity, as of July 1947. *August, 194-195.*
- Bonus, nonproduction:**
- Extent of use, 1945-46. *October, 451-452.*
 - Foundry industry, ferrous and nonferrous. Extent of use, 1946. *August, 183.*
 - Glassware industry. Extent of use, as of January 1947. *November, 551.*
 - Machinery industries. Extent of use, as of October 1946. *September, 320.*
 - Metal furniture industry. Extent of use, as of January 1947. *October, 449.*
 - Percentage distribution of establishments paying, to plant and office workers, selected manufacturing and nonmanufacturing industries, by type of bonus, 1945-46. *October, 452.*
 - Wholesale drugs and allied products. Extent of use, as of January 1947. *November, 554.*
 - Women's blouse and waist industry. Extent of use, as of January 1947. *September, 316.*
- Boycotts.** Unfair labor practice under Labor Management Relations Act, 1947; administrative procedures for prevention of. *July, 59-62.*
- Boycotts, secondary:**
- State legislation prohibiting, enacted in 1947. Summary. *September, 277, 280.*
 - (*See under Legislation, U. S., by State, for specified State.*)
- Budget.** Nation's economic budget, selected years, 1939-47 (chart). *September 324.*
- Building materials:**
- Controls over. Extent of removal, effective in second quarter 1947. *September, 310.*
 - Prices. Changes, second quarter 1947. *September 311-312.*
 - Indexes of, and percentage increase, specified periods July 1914 to June 1947. *September, 312.*
- Bureau of Labor Statistics (U. S. Government).** Program for fiscal year 1947-48; basic statistical services to continue, certain new programs added; summary. *October, 409-414.*
- Check-off:**
- State legislation restricting use of, 1947. (*September, 282-283.*
 - (*See under Legislation, U. S., by State, for specified State.*)
- Child labor:**
- Legislation, Federal and State, controlling; summary of provisions. *December, 672.*

Child labor—Continued

State legislation regulating, 1947; manufacturing, nonmanufacturing, agriculture. *September*, 277-278.

— (See under Legislation, U. S., by State, for specified State.)

Working conditions, youth under 18 years of age. Types of jobs, hours, hazards, fiscal year ended June 1947; comparisons with years 1946 and 1945. *December*, 673.

Chronology. Labor events. April to June 1947; July to September 1947. *August*, 211-214; *November*, 577-580.

Closed shop:

Prohibition of, under Labor Management Relations Act, 1947. *July*, 58, 60.

State "Right-to-Work" laws prohibiting, enacted in 1947. Summary. *September*, 279-280.

— (See under Legislation, U. S., by State, for specified State.)

Collective agreements, United States:

Analysis of, for indexing purposes; statistical card used for, by International Association of Machinists. *July*, 75-77.

BLS program for maintaining files of, under Labor Management Relations Act; fiscal year 1947-48. *October*, 412-413.

BLS study of premium pay provisions in, latter half of 1946. *October*, 419-425.

Ford Motor Co. and United Mine Workers of America, signed immediately prior to passage of Labor Management Relations Act; provisions. *October*, 440-441.

Murray Body Corp., signed August 19, prior to passage of Labor Management Relations Act; no-strike provision (text). *October*, 440-441.

Power laundries. Discharges and quits, miscellaneous causes for, specified in agreements, 1946. *August*, 165.

Power laundries, cleaning and dyeing. Provisions in 33 agreements, covering 65 percent of production workers under union contracts, 1946; analysis of. *August*, 158-166.

Provision for filing with BLS, under Labor Management Relations Act, 1947. *July*, 61.

Seaboard Airline Railroad and Federated Shop Crafts System Federation No. 39, Railway Employee's Department, AFL; minimum force agreement, plan summarized. *August*, 167-171.

Union security under; State legislation affecting, enacted in 1947. *September*, 279-280.

United Mine Workers of America and bituminous coal operators, signed July 7, prior to passage of Labor Management Relations Act; provisions. *October*, 440.

Collective agreements, foreign countries:

France. Prewar; 1936 legislation, making compulsory inclusion of minimum rates in. *August*, 154.

Great Britain. Cost-of-living scales regulating wage rates; total workers covered by, year 1939 and

Collective agreements, foreign countries—Continued

April 1947; list of industries affected. *September*, 286-287.

— Equal-pay provisions, wartime. *September*, 289. Norway. Early development of, and present methods of enforcement. *September*, 340-343.

Sweden. Use of, to achieve wage stabilization during war period. *October*, 431, 434.

Collective bargaining, United States:

Definition of, under Labor Management Relations Act, 1947; procedure in selection of representatives. *July*, 59-60.

Jobs for handicapped to be provided by; advocated by AFL. *August*, 205.

Collective bargaining, foreign countries:

Germany. U. S. Government occupation policy permitting; directives of April 1945 and July 1947; works councils, establishment of. *October*, 460.

Great Britain. Trade-union demands in postwar period, success of; Government's effort to reconcile social reforms with need for exports. *September*, 285.

Committee of European Economic Cooperation. Manpower report of technical subcommittee. *November*, 567-568.

Conciliation and arbitration:

Department of Labor (U. S. Government). Conciliation Service, part of Department for 32 years, replaced by separate and independent agency, under Labor Management Relations Act. *October*, 436.

— Operation of Conciliation Service, ended August 21, 1947; history of. *August*, 172-174.

Federal Mediation and Conciliation Service (U. S. Government). Director appointed by President. *October*, 439.

— Policies of; statement of Director concerning. *November*, 564-565.

Provisions for, in Labor Management Relations Act, 1947. *July*, 57, 60-61.

State legislation relating to, 1947; provisions. *September*, 282.

— (See under Legislation, U. S., by State, for specified State.)

Congress of Industrial Organizations. Convention. (See under Conventions, meetings, etc.)

Construction, United States:

Activities and expenditures 1939-47; future prospects. *November*, 539-543.

BLS program for statistical reporting, fiscal year 1947-48. *October*, 413.

Comparative employment levels, 1941-47; estimates, by type of project. *August*, 202; *November*, 562.

Controls over building materials. Extent of removal, effective in second quarter 1947. *September*, 310.

Dwellings. New urban and rural nonfarm. Units started, number and cost, selected years, and monthly (April 1946-September 1947), by source of funds. (See Current labor statistics, table F-8, each issue.)

Construction, United States—Continued

Dwellings. Privately financed. Units started, leading industrial areas; number of, average cost, monthly, January 1946–August 1947. (*See Current labor statistics, table F-7, each issue.*)

Employment. (*See Current labor statistics, table A-11, July, August, September.*)

— (*See also under Employment statistics.*)

Expenditures. New, by quarters, 1946 and 1947, and by year, 1939–46. *November, 540.*

— Years 1939 and 1946; monthly (June 1946–November 1947), by type of project. (*See Current labor statistics, table F-1, each issue.*)

Family dwellings. New units scheduled, urban areas, years 1942 and 1946; monthly (April 1946–September 1947), by type and by source of funds (private and public). (*See Current labor statistics, table F-4, each issue.*)

— Units (new permanent) started, January 1946–September 1947. *November, 540–541.*

Federally financed. Contracts awarded and force-account work started; value of, selected periods, and monthly (May 1946–October 1947), by type of project. (*See Monthly labor statistics, table F-2, each issue.*)

Fresno, Calif.; survey of current and anticipated private construction volume, Dec. 1946; techniques used, designed by BLS; tests and conclusions. *July, 73–75.*

List of projects included under. *August, 202.*

Nonfarm areas. Dwelling units, started and completed; total 1946 and monthly, January 1946–October 1947. (*See Current labor statistics, table F-6, each issue.*)

Nonresidential. Permit valuation, new units scheduled, urban areas; year 1946 and monthly (April 1946–September 1947), by general type and by source of funds (total and non-Federal). *See Current labor statistics, table F-5, each issue.*)

Urban building. Permit valuation of, years 1942 and 1946, and monthly (April 1946–September 1947), by class and by source of funds (Federal and non-Federal). (*See Current labor statistics, table F-3, each issue.*)

Construction. Great Britain. Housing program, by region, end of 1946, estimated for 1947; under construction, or approved but not started, by type, end of 1946, estimated for 1947. *August, 196–197.*

Construction machinery (selected). Characteristics; findings of BLS survey of man-hours expended to produce, for period 1939–45. *July, 41–47.*

Conventions, meetings, etc.:

American Federation of Labor. (San Francisco, October 6–17, 1947.) Proceedings and major actions. *November, 527–531.*

Congress of Industrial Organizations. (Boston, October 13–17, 1947.) Proceedings and major actions. *November, 531–534.*

Conventions, meetings, etc.—Continued

International Association of Government Labor Officials, meeting of, September 1947; discussion topics. *November, 565–566.*

Cooperation. (*See Cooperatives.*)

Cooperatives:

Consumers' associations. Operations in 1946. Membership and business, by type; summary of activities, by type; trend of operations of retail store and petroleum cooperatives, 1942–46. *October, 456–459.*

Credit unions. Operations, assets, and earnings, by State, years 1945 and 1946. *November, 555–557.*

— State and Federal; relative development of, 1925–46. *November, 558.*

Farmers'. Activities of, 1944–45; estimated number, membership, and business of, 1913 to 1944–45. *October, 459.*

Cost of living, United States:

BLS program for reporting, fiscal year 1947–48. *October, 410–411.*

Indexes. (*See under Prices.*)

Cost of living, Great Britain.

Index. Changes since 1938 and recommendation, spring of 1947, to substitute new index. *September, 285–291.*

Interim indexes of retail prices, July 1947. *August 195–196.*

Court decisions:

Fair Labor Standards Act. Belo case; doctrine of, in computing overtime rates. *August, 207.*

— Summaries. *July, 78–79; August, 206–208; September, 347–348; October, 464–465; November, 574–575; December, 686–687.*

Labor Management Relations Act. Summaries. *October, 465; November, 572–573; December, 685–686.*

Labor relations. Summaries. *July, 79; August, 208; September, 346–347; October, 465–466; November, 572–573; December 685–686.*

Lea Act. Constitutionality of. *August, 206.*

National Labor Relations Act. Summaries. *July, 79; August, 208; September, 346–347; October, 465–466; November, 572–573; December, 685–686.*

Norris-LaGuardia Act. Summaries. *July 80–81; September, 347; October, 465; December, 686.*

Portal-to-Portal Act. Summaries. *October, 464–465; December, 686–687.*

Railway Labor Act. *November, 573.*

Selective Service and Training Act. Veterans' rights under; Summaries. *July, 79–80; August, 208–210; September, 348–349; October, 466–467; November, 575–576; December, 687–688.*

Sherman Anti-Trust Act. *October, 465–466.*

State courts. Summaries. *July, 81; August, 210; September, 349; October, 467; November, 576; December, 688–689.*

Credit unions. (*See under Cooperatives.*)

Current labor statistics. List of tables. *July, 89–90; August, 225–226; September 357–358; October, 474–475; November, 588–589; December, 696–697.*

Death cases. Benefits. (*See under Workmen's compensation.*)

Decisions. (*See Court decisions.*)

Disability. Benefits. (*See under Workmen's compensation.*)

Discrimination:

State legislation opposing or prohibiting in employment. *August, 198-199; September, 278.*

(*See under Legislation, U. S., by State, for specified State.*)

Diseases, Industrial. (*See Workmen's compensation, Occupational diseases.*)

Displaced persons. (*See under Manpower.*)

Disputes. (*See Labor-management disputes.*)

Earnings. (*See Wages and hours.*)

Economic conditions, United States:

Consumer appraisals of, 1946 and 1947; intentions to buy, by income group; expectations concerning incomes and prices; attitudes toward selected purchases. *September, 329-330.*

Labor force. Changes in, prewar, wartime, and postwar; outlook for future growth. *December, 637-678.*

President's midyear economic report to Congress, July 21, 1947; summary. *September, 321-325.*

Savings by various income groups, 1946; holdings of nonliquid assets, early 1947; survey for Federal Reserve Board. *November, 558-559.*

Women workers. Wartime adjustments to production demands, postwar changes in comparison with; future outlook. *December, 666-671.*

Economic conditions. Japan. Economic crisis; 8-point program designed to cope with, July 11, 1947; wage-price features of. *September, 337-340.*

Education. "The University and Labor Education." Address by Dr. Edwin E. Witte, excerpts from. *July, 36-40.*

Efficiency. Effects of long hours on output; study of. *July, 5-14.*

Electric light and power industry. Price changes, specified periods, from December 1939 to December 1946. *November, 563.*

Employment agencies. Western Europe (France, Belgium, and the Netherlands); postwar reorganization of employment services, hiring and discharge of workers. *December, 684.*

Employment conditions:

Economic shifts in, prewar, wartime, and postwar. *December, 645-649.*

Nurses (registered). Hours, earnings, living arrangements, and opinions regarding conditions of work. Survey made in 1947 by National Nursing Council, Women's Bureau and BLS. Summary. *July, 20-27.* Trends in, prewar, wartime, and postwar; outlook for future. *December, 637-678.*

Employment conditions, foreign countries:

Italy. Efforts to create jobs. Measures taken in 1947 and earlier years summarized. *September, 336-337.*

Japan. Surplus of workers and resultant low index of productivity. *September, 338-339.*

Employment conditions, foreign countries—Continued

Western Europe, postwar period; training programs to increase size of labor force; French and British plans, details of, with summary of results. *December, 682-683.*

Employment opportunities:

Louisville, Ky., youth, out-of-school. BLS survey, spring 1947, summary. *December, 673-674.*

Plastics products industry. Characteristics of; production and employment trends and prospects. *September, 295-301.*

Employment statistics:

Agricultural and nonagricultural, averages, by year, 1929-46. *December, 638.*

Agriculture. Employment changes, wartime and early postwar, United States and major geographic divisions. *December, 650.*

Armed forces. Averages, by year, 1929-46. *December, 638.*

Averages, employment and unemployment, selected years, 1929-44, by year, 1945-47. *December, 640.*

BLS program for reporting, fiscal year 1947-48. *October, 410.*

Construction. By type of project, 1941-47; quarterly averages for years 1946 and 1947. *November, 562.*

— Contract. Monthly average, 1943; selected months 1945; monthly (March 1946-June 1947), by State. (*See Current labor statistics, table A-11, July, August, and September.*)

— Figures for January 1945, August 1946, and estimates for September 1947. *November, 541.*

— Fresno, Calif. Comparative estimates, by occupation, January 1947. *July, 74.*

— Trends, 1929-47. *December, 645-649.*

Construction projects. Average employment on; estimates, by type of project, 1941-47. *August, 202.*

— Definition of and explanation of BLS techniques for estimating employment on. *August, 202-203.*

Exports. Effects of, on employment levels, first half of 1947; basic steps used in preparing estimates. *December, 675-678.*

— U. S. employment attributable to, by industry group, 1939 and January-June 1947. *December, 676-677.*

Federal. Military branch. Personnel and total pay; yearly, 1939 and 1943; monthly, May 1946-October 1947. (*See Current labor statistics, table A-15, July, August, September; table A-14, October, November, December.*)

— Washington, D. C. Personnel, monthly (April 1946-June 1947), by branch and agency group; personnel and total pay, yearly 1939 and 1943, monthly July 1946-October 1947), by branch and agency group. (*See Current labor statistics, table A-14, July, August; table A-13, September, October, November, December.*)

— Yearly, 1939 and 1943; monthly (May 1946-October 1947), by branch and agency. (*See Current labor statistics, table A-12, July, August, September; table A-11, October, November, December.*)

Employment statistics—Continued

- Government. Trends, 1929-47. *December*, 645-649.
 Indexes, by industry division, selected years, 1929-47. *December*, 647.
- Industrial work force, prewar, wartime, and postwar; trends. *December*, 645-649.
- Labor force. Monthly (May 1946-October 1947), by employment status, hours worked, and sex. (*See Current labor statistics, table A-1, each issue.*)
 — Women in, prewar, wartime, and postwar periods, by age and marital status. *December*, 668-670.
- Manufacturing. Annual averages, 1939 and 1943; monthly (May 1946-October 1947), by major industry group. (*See Current labor statistics, table A-3, each issue.*)
 — Annual average, 1943; monthly (April 1946-September 1947), by State. (*See Current labor statistics, table A-4, each issue.*)
 — Percentage distribution, by industry division, 1939-47. *December*, 648.
 — Production workers; annual average 1939 and 1943; monthly (May 1946-October 1947), by industry group and industry. (*See Current labor statistics, table A-5, each issue.*)
 — Production workers, indexes; annual average 1943; monthly (May 1946-October 1947), by industry group and industry. (*See Current labor statistics, table A-6, each issue.*)
 — Trends, 1929-47. *December*, 645-649.
 — Women production workers, estimates of, by major industry branch and by selected industry, 1939 and 1943-47. *December*, 666-667.
- Mining. Trends, 1929-47. *December*, 645-649.
 — (*See Current labor statistics, tables A-2, A-8, and A-9, each issue.*)
- Negroes. Occupational and industrial distribution of, by sex, April 1940, 1944, and 1947. *December*, 664-665.
- Nonagricultural. Annual averages, 1939 and 1943; monthly (May 1946-October 1947), by industry division. (*See Current labor statistics, table A-2, each issue.*)
- Nonmanufacturing. Annual average, 1939 and 1943; monthly (April 1946-October 1947), by selected industry group and industry. (*See Current labor statistics, table A-8, each issue.*)
 — Indexes; annual average, 1943; monthly (April 1946-October 1947), by selected industry group and industry. (*See Current labor statistics, table A-9, each issue.*)
- Percentage distribution, by industry division, selected years, 1929-47. *December*, 647.
- Plastics products industry. Estimates, by year, 1937 to 1946 (December). *September*, 297.
- Public utilities. Trends 1929-47. *December*, 645-649.
- Seaboard Airline Railroad. Minimum force, employment, annual pay roll; six mechanical trades, 1923-46. *August*, 170.
- Service. Trends, 1929-47. *December*, 645-649.

Employment statistics—Continued

- Trade, wholesale and retail. Trends, 1929-47. *December*, 645-649.
- Veterans (employed). Percentage distribution, by status, age, occupational group, and race, March and November 1946. *July*, 63-65.
- Wage and salary workers; number of, in nonagricultural establishments, by industry division, 1929-47. *December*, 647.
- Women workers. Percentage of total workers, by occupation, April 1940, 1945 and 1947. *December*, 669.
 — Production. Percentage of total production workers, by major industry branch, October 1939 and April 1947. *December*, 669.
- Workers, classified by major occupational group and by sex, April 1940, 1945, and 1947. *August*, 140, 146.
- Youth. Number in labor market, 14 through 19 years of age, by age group, October 1946, April 1947. *December*, 672-673.
 (*See also Labor force.*)
- Equal pay. Great Britain. Wartime provision for, in collective agreements; unsuccessful efforts of engineering unions to equalize rates for men and women; effect of inequities on labor market. *September*, 289.
- Equal-pay laws:
 State legislation, 1947, prohibiting discrimination in wages because of sex. *September*, 283.
 — (*See under Legislation, U. S., by State, for specified State.*)
- European recovery program. Labor force in countries participating in; analysis and summary. *December*, 678-684.
- Executive orders. (*See under Legislation, U. S., Federal and general.*)
- Expenditures:
 Construction. New. By quarter, 1946 and 1947, and by year, 1939-46. *November*, 540.
 — Review of, 1939-46; future prospects. *November*, 539-543.
 — Total, 1939 and 1946; monthly (June 1946-November 1947), by type of project. (*See Current labor statistics, table F-1, each issue.*)
- Consumer. Intentions to buy, 1946 and 1947, and actual purchases, 1946, by income group; attitudes toward selected purchases in 1946 and 1947, percentage distribution of all spending units. *September*, 329-330.
- Nurses, private duty and institutional; amounts reported and items covered. *November*, 548.
- Exports. Effects of, on employment levels, first 6 months 1947; basic steps used in preparing estimates. *December*, 675-678.
- Factory workers. (*See under Manufacturing industries.*)
- Fair employment practice:
 Antidiscrimination laws, 1947. *August*, 198-199; *September*, 278.

Fair employment practice—Continued

Connecticut. State antidiscrimination law, 1947.

Provisions; role of Interracial Commission in administration. *August, 198; September, 278.*

Oregon. State antidiscrimination law, 1947. Provisions; role of State Department of Education in administration. *August, 198-199; September, 278.*

Fair Labor Standards Act:

National standard for employment of children established by; provisions. *December, 672.*

State statutes of limitations for suits under. Changes in 1947. *September, 277, 283-284.*

— (See under Legislation, U. S., by State, Wage claims, for specified State.)

Family allowances, foreign countries:

France. Seine department (Paris included). Amounts provided, 1939-47. *August, 152.*

— Wartime and postwar increases in; details of plan. *August, 149, 152, 154-157.*

Great Britain. Payments of, beginning August 1946, under law of June 15, 1945. *September, 287.*

Sweden. Effective January 1, 1948. *October, 432.*

Farm workers. Hired. Value and kind of perquisites furnished to, by region, 1945. *August, 193.*

Federal employees. (See under Government employees.)

Federal Interagency Committee on Migrant Labor. Summary of report; recommendations. *July, 70-71.*

Federal Mediation and Conciliation Service (U. S. Government):

Creation under Labor Management Relations Act, Title II; duties of. *July, 60-61.*

(See also under Conciliation and arbitration.)

Finances:

Consumer. Survey (sponsored by Federal Reserve Board), 1947. Summary of findings. *September, 329-331.*

Spending units, 1946; proportion of, showing saving and dissaving, by income group; nonliquid assets, holdings of. *November, 558-559.*

Foreign labor conditions. (See Working conditions, foreign countries.)

Foundry industry:

Ferrous and nonferrous. Bonus, nonproduction; extent of use, as of October 1946. *August, 183.*

— Group insurance, extent of use of, as of October 1946. *August, 183.*

— Pensions; extent of provision for, as of October 1946. *August, 183.*

— Shift differentials; extent of use of, as of October 1946. *August, 183.*

— Vacation with pay, extent of provision for, as of October 1946. *August, 183.*

— Wage incentives, use of and comparison with time workers. *August, 182-183.*

— Wage structure, October 1946 compared with January 1945; straight-time hourly earnings, men, selected occupations, by region, and percentage distribution, by straight-time hourly earnings and region, October 1946. *August, 180-183.*

Gas industry. Price changes, specified periods, from December 1939 to December 1946. *November, 563.*

Glassware industry:

Bonus, nonproduction. Extent of use, as of January 1947. *November, 551.*

Characteristics; findings based on BLS study of earnings in January 1947; straight-time hourly earnings, selected occupations, by industry branch; and distribution, all plant workers, by straight-time hourly earnings, United States and selected regions. *November, 549-551.*

Group insurance. Extent of provision for, as of January 1947. *November, 551.*

Paid lunch periods. Extent of provision for, as of January 1947. *November, 551.*

Pensions. Extent of provision for, as of January 1947. *November, 551.*

Shift differentials. Extent of use of, as of January 1947. *November, 551.*

Sick leave. Extent of provision for, as of January 1947. *November, 551.*

Vacation with pay. Extent of provision for, as of January 1947. *November, 551.*

Government employees:

Federal. Employment trends, 1929-47. *December, 645-649.*

— Strikes by; prohibition from participation in, and penalties imposed, under section 305 of Labor Management Relations Act; clarification of, by Civil Service Commission. *July, 62; October, 440.*

— (See Current labor statistics, tables A-12 and A-14, July, August, September, and tables A-11 and A-13, October, November, and December.)

Federal, military branch. (See Current labor statistics, table A-15, July, August, September, and table A-14, October, November, December.)

State legislation, 1947, prohibiting strikes by. *September, 281.*

— (See under Legislation, U. S., by State, for specified State.)

Group insurance:

Extent of provision for, selected manufacturing and nonmanufacturing industries, 1945 and 1946; summary. *July, 53-57.*

Foundry industry, ferrous and nonferrous. Life or health insurance; extent of provision for, 1946. *August, 183.*

Glassware industry. Extent of provision for, January 1947. *November, 551.*

Machinery industries. Extent of provision for, as of October 1946. *September, 320.*

Manufacturing and nonmanufacturing industries. Percentage distribution of establishments having, by type of plan and region, 1945-46. *July, 54-55.*

Metal furniture industry. Extent of provision for, as of January 1947. *October, 449.*

Nurses, general staff. Extent of provision for, as of October 1946. *November, 548.*

Nurses, public health. Extent of provisions for, as of October 1946. *September, 303.*

Group insurance—Continued

Railroad workers. Sickness and maternity benefits for, as of July 1947. *August, 194-195.*

Wholesale drugs and allied products; extent of provision for, as of January 1947. *November, 554.*

Women's blouse and waist industry. Extent of provision for, as of January 1947. *September, 316.*

Guaranteed wage, United States:

Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 160.*

Seaboard Airline Railroad. Origin, terms, administration, operation, and evaluation of plan; summary. *August 167-171.*

Study of, by Advisory Board of Office of War Mobilization and Reconversion; recommendations concerning, in report to President, issued by White House, April 27, 1947. *July, 40.*

Guaranteed wage, Great Britain. Wages Council Act, March 1945; trade boards' powers, to permit paid holidays and fix guaranteed wage. *September, 291.*

Details of plan; estimated number of workers covered by, in 1947. *September, 286.*

Gypsum products:

Characteristics of industry; findings based on BLS study late in 1946, of 18 plants or 40 percent of year's production. *October, 453-456.*

Man-hour requirements, per unit of product, by major operation, 1946. *October, 453-454.*

Handicapped workers.

Jobs for, through collective bargaining; advocated by AFL. *August, 205.*

Foreign countries. Utilization of, postwar period, western Europe. *December, 682-683.*

Hardwood flooring:

Characteristics of industry and method of labor requirements survey, 1947. *July, 49-50.*

Man-hour requirements by operation, process, and plant department, 1946; comparison with 1945 requirements. *July, 49-53.*

Health:

Power laundries, cleaning and dyeing. Health and welfare provisions in collective agreements, 1946. *August, 164.*

Railroad workers. Sickness and maternity benefits for, as of July 1947. *August, 194-195.*

Women's blouse and waist industry. Health and welfare plans; extent of use of, as of January 1947. *September, 316.*

Workers'. (See Safety and health of workers.)

Health insurance. Manufacturing and nonmanufacturing industries. Percentage distribution of establishments having, by region, 1945-46. *July, 54-55.*

Holidays, paid. Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August, 162-163.*

Hotels (year-round). Straight-time hourly earnings, selected occupations in 31 large cities, June 1947. *October, 450.*

Hours of work:

Child labor. State legislation changing provisions concerning, 1947. Summary. *September, 278.*

— (See under Legislation, U. S., by State, for specified State.)

Foundry industry, ferrous and nonferrous. Workweek, length of, October 1946, in contrast with January 1945. *August, 183.*

Glassware industry. Workweek, length of, as of January 1947. *November, 551.*

Length of workweek in prewar, wartime and postwar periods. Study of effects of changes in, on output and other factors. *July, 5-14.*

Machinery industries. Workweek, length of, in October 1946 in contrast with January 1945. *September, 320.*

Machine-tool industry, selected types. Indexes, unit man-hours (direct and indirect labor, sum of); direct labor man-hours only; unit and direct man-hours, by size of plant. *August, 187-192.*

Metal furniture industry. Workweek, length of, as of January 1947. *October, 449.*

Seven-day week. Study of desirability of. *July, 13-14.*

State legislation changing provisions concerning, 1947. Summary. *September, 278.*

— (See under Legislation, U. S., by State, for specified State.)

Wholesale drugs and allied products. Workweek, length of, as of January 1947. *November, 554.*

Women's blouse and waist industry. Workweek, length of, as of January 1947. *September, 316.*

Housing:

Housing and Rent Act of 1947. Provisions. *September, 309-310.*

Labor requirements, future, in anticipated building programs; development of techniques for use in determining; tests and conclusions. *July, 73-75.*

Prefabricated or factory-made; use of, in lowering existing costs. *August, 205.*

Housing. Great Britain. Construction, by region, end of 1946, estimated for 1947; under construction, or approved but not started, by type, end of 1946, estimated for 1947. *August, 196-197.*

Incentive-wage plans. (See Wage incentives.)

Income:

Consumer. Money and liquid assets; median amounts of spending units, by income group, 1946. *September, 330-331.*

— Share received by each tenth of Nation's spending units, ranked by size of income, 1946 and 1945. *September, 330.*

— Spending units, money income received, and liquid assets; percentage distribution, by income groups, 1946 and 1945. *September, 331.*

National, 1946, revised; by distributive share, 1929-47. *September, 325-327.*

Personal, by source, 1929-47. *September, 328.*

Savings of, by various groups, 1946. *November, 558-559.*

Indexes. Great Britain. Retail prices; former cost-of-living index terminated; interim index, use of, beginning in July 1947; differences in weights, and new items to be priced. *August, 195-196.*

Industrial diseases and poisons. (See Workmen's compensation, Occupational diseases.)

Industrial disputes. (See Labor-management disputes.)

Industrial relations. (See Labor-management relations.)

Injunctions. Provisions for granting, under Labor Management Relations Act, 1947; Norris-LaGuardia Act to be disregarded. *July, 61.*

Injuries:

Effects of long hours on; rate of incidence of. *July, 8.*
Plastics products industry. Disabling injuries, 1946, compared with rate for all manufacturing; nature of hazards. *September 296-297.*

Pulpwood logging industry. Frequency rates, 1944, and comparisons with rates for general logging and manufacturing. *August, 175-176.*

(See also Accident statistics.)

Injuries, industrial. (See Accident statistics.)

Injury-frequency rates. (See under Accident statistics.)

Insurance. (See Group insurance; Life insurance.)

Jurisdictional disputes:

State legislation regulating or prohibiting, 1947. Summary. *September, 280-281.*

— (See under Legislation, U. S., by State, for specified State.)

Unfair labor practice under Labor Management Relations Act, 1947; administrative procedures for prevention of. *July, 59-60, 62.*

Labor courts. Norway. Collective agreements. Scope of authority in enforcement of. *September, 340-341.*

Labor, Department of (U. S. Government):

Bureau of Labor Statistics. Realignment of functions to meet requirements of Labor Management Relations Act. *October, 436.*

Conciliation Service. End of operation as division of Department of Labor; historical summary. *August, 172-174.*

— Functions and personnel, transfer of, to Federal Mediation and Conciliation Service, under Labor Management Relations Act, Title II. *July, 60-61.*

Division of Labor Standards. Union Registration Branch established; function. *October, 436.*

Labor education. (See Workers' education.)

Labor force, United States:

Changes in, prewar, wartime, and postwar; outlook for future growth. *December, 637-678.*

Deviation of, from normal, April 1945, 1946, 1947, by age and sex. *December, 641.*

Employment and unemployment; averages, selected years, 1929-44; by year, 1945-47. *December, 640.*

Number of persons and percent of population in, by age group, week ended March 30, 1940. *December, 638-639.*

Labor force, United States—Continued

Percent of population in, prewar and postwar, and changes in, by sex, including data for Western European countries participating in ERP. *December, 679-680.*

Total. Civilian and armed forces, by employment status and by year, 1929-46. *December, 638.*

— Estimated. Monthly (May 1946-October 1947), by employment status, hours worked, and sex. (See Current labor statistics, table A-1, each issue.)

Veterans; postwar participation of. *December, 642, 644.*

Withdrawal of women from, April 1945-April 1947; proportion of older women remaining, April 1947. *December, 662.*

Women. Percent of all production workers, by major industry branch, October 1939 and April 1947. *December, 669.*

— Percent of all workers by occupation, April 1940, 1945, and 1947. *December, 668-669.*

— Percentage distribution of, by age group, April 1940, 1945, and 1947. *December, 669.*

— Postwar decline in total participating in; postwar occupational shifts by. *August, 144-145.*

— Prewar, wartime, and postwar periods, by age and marital status. *December, 668-670.*

— Wartime; increase in numbers and proportion. *December, 666.*

Women and older workers. Wartime contributions; postwar problems. *December, 661-663.*

(See also under Employment statistics.)

Labor force, foreign countries:

European Recovery Program. Labor force in countries participating in; analysis and summary. *December, 678-684.*

Percent of population in, in countries participating in ERP, prewar and postwar, and changes in, by sex; character of components; United States figures included. *December, 679-680.*

Structure, and percentage distribution by industrial classification, in France, Great Britain, and Norway, prewar and postwar periods. *December, 680-681.*

Labor-management disputes, United States:

American Overseas Airlines Inc. and International Airline Pilots' Association (AFL). Pilots' and co-pilots' strike, September 30 to October 18, 1947; contract negotiations, stand-by status of pilots during time off between flights; details of settlement. *November, 566.*

Coal (bituminous). Unauthorized walk-outs, June 1947, Alabama and Pennsylvania, preceding official 10-day vacation period; return of mines to private control, June 30, 1947; new contract provisions. *July, 71-72; August, 203.*

Developments, significant, by month, June to October 1947. *July, 71-72; August, 203-205; September, 344-345; October, 462-463; November, 566-567.*

Ford Motor Co. Issue of "financial penalty exemption clause"; agreement reached August 21, 1947, strike averted. *September, 345.*

- Labor-management disputes, United States—Continued
 International Brotherhood of Teamsters and Railway Express Agency (New York City). Drivers' strike, September 19 to October 13, 1947, resultant lay-offs; agreement to submit demands to fact-finding board named by President. *October*, 463; *November*, 566.
- International Harvester Co. (Louisville, Ky.). Strike, September 18 to October 27, 1947, over wage and wage differential issues. *November*, 566.
- International Harvester Co. (Rock Island and East Moline, Ill.) and Farm Equipment Workers Union (CIO). Mid-October strike protesting discharge of union workers; grievances submitted to arbitration. *November*, 566.
- International Longshoremen's Association (AFL) and New York Shipping Association. Preferential hiring clause retained in new agreement signed August 21, 1947, prior to effective date of Labor Management Relations Act; 6-day strike of two New York locals. *September*, 345.
- Maritime workers. Work stoppage following expiration of contracts on June 15, 1947; summary. *July*, 72.
- Murray Corp. of America. Strike (28 days) beginning late July 1947, involving "fundamental principles" under new Management Relations Act, viz., responsibility for damages for unauthorized work stoppages; details of settlement. *August*, 203-204; *September*, 344-345.
- Power laundries, cleaning and dyeing. Provisions for adjustment of, in collective agreements, 1946. *August*, 166.
- Railroads. Southern Pacific; brief strike, July 21 and 22, 1947. *August*, 204.
- Remington Rand Corp. Strike, May 26-July 31, 1947, involving seven cities in New York and Michigan; details of settlement. *August*, 204-205.
- Shipbuilding. Bethlehem Steel Co., Todd Shipyards Corp., Higgins Industries, and other yards, beginning June 26, 1947. Background of controversy; spread of strike, workers involved; partial settlement. *July*, 72; *August*, 203-204; *September*, 344; *October*, 462; *November*, 566.
- Strikes. State legislation restricting, 1947. Summary. *September*, 280-281.
 — (See under Legislation, U. S., by State, for specified State.)
- Strikes and lock-outs. Developments to prevent, following passage of Labor Management Relations Act; summary. *October*, 440-441.
 — Unfair labor practice under Labor Management Relations Act, 1947; administrative procedures for prevention of; President authorized to appoint board of inquiry to investigate; provision for injunctive relief. *July*, 59-61.
 — (See also Work stoppages, this section.)
- Union Railroad Co. Walk-out, September 1947, resultant lay-offs at Carnegie-Illinois Steel Corp.; issues involved and basis of settlement. *October*, 462-463.
- Labor-management disputes, United States—Continued
 Waterfront Employers' Association of Southern California. Port tie-up, beginning October 1, 1947, outgrowth of dispute between Luckenbach Steamship Co. and International Longshoremen's and Warehousemen's Union (CIO); demand of dock foremen that Association recognize union as bargaining agent; arbitration committee appointed by Secretary of Labor to settle dispute; vote by union, October 14, to return to work. *November*, 567.
- Work stoppages. Man-days idle, April-September 1947. *October*, 462.
 — Resulting from labor-management disputes, selected periods; monthly, May 1946-October 1947. (See Current labor statistics, table E-1, each issue.)
 — Statistics, by major issues involved and industry group, first quarter, 1947. *September*, 335-336.
- Labor-management disputes. Norway. Legislation to provide peaceful settlement of; work stoppages, Government methods of handling. *September* 340-343.
- Labor-management relations, United States:
 Activities in, during period from passage of Labor Management Relations Act, June 23, 1947, to August 22, full effective date; summary. *October*, 436, 440-441.
 BLS program for reporting on, fiscal year 1947-48. *October*, 412-413.
 Joint congressional committee to study; provision for establishment of. *July*, 62.
 Minimum force agreement between Seaboard Airline Railroad and Federated Shop Crafts (System Federation No. 39, Railway Employees' Department, AFL); summary of plan. *August*, 167-171.
 Oregon. Elections, authority of Commissioner of Labor to hold; 1947 law. *September*, 282.
 State legislation, 1947. Summary. *September*, 277-284.
 — (See under Legislation, U. S., by State, for specified State.)
- Labor-management relations. Norway. Stabilization of, in post-liberation era. *September*, 343.
- Labor Management Relations Act, 1947:
 AFL and CIO attacks on; program of action for repeal of. *November*, 529, 532.
 Operations under, first 2 months; summary. *October*, 436-441.
 Registration forms required under provisions of section 9 (f) and (g); samples. *October*, 436-439.
 — Summary of provisions. *July*, 57-62.
- Labor month in review. Major events currently affecting labor; summary of. *July*, 2-3; *August*, 187-188; *September*, 275-276; *October*, 407-408; *November*, 525-526; *December*, 635-636.
- Labor organizations:
 State legislation, 1947, fixing liability of members for damages in certain situations. *September*, 282.
 — (See under Legislation, U. S., by State, for specified State.)

Labor organizations, foreign countries:

Germany. U. S. Government directive of July 1947, permitting organization and functioning of. *October, 459-460.*

Netherlands. Membership as of 1940, January 1, 1946, and January 1, 1947. *October, 462.*

Turkey. Legislation concerning, as of 1947. *August, 197-198.*

Labor policies. Germany. U. S. Government directive of July 1947, outlining; summary. *October, 459-460.*

Labor relations. (*See Labor-management relations.*)

Labor requirements:

Construction machinery (selected). Man-hour requirements per unit, 1939-45; indexes, by type of product and of labor; factors affecting production. *July, 41-47.*

Gypsum products. Man-hour requirements per unit of product, by major operation, 1946. *October, 453-458.*

Hardwood flooring. Man-hour requirements to produce, by 1,000 feet, 1946; comparison with 1935 requirements. *July, 49-53.*

Machine-tool industry. Man-hour requirements (direct and indirect labor) to produce selected major types, by year, 1940-45; indexes (1939=100), by type of machine tool and by size of plant; trends. *August, 186-188, 192.*

Labor turn-over:

Manufacturing. Monthly, year 1939 and January 1943-September 1947, by class of turn-over. (*See Current labor statistics, table B-1, each issue.*)

— Rates for men and women; monthly (March-July 1947), by selected industry group. (*See Current labor statistics, table B-3, July, August, September, October, November.*)

Selected groups and industries. Monthly (March 1947-September 1947), by class of turn-over. (*See Current labor statistics, table B-2, each issue.*)

Learners. (*See Apprenticeship.*)

Legislation, U. S., Federal and general:

Apprenticeship. State legislation establishing councils, 1947. *September, 277.*

Boycotts, secondary. State legislation prohibiting, 1947. *September, 280.*

Check-off. State legislation restricting use of, 1947. *September, 282-283.*

Child labor. State legislation regulating, 1947; summary. *September, 277-278.*

Closed shop. State "right-to-work" legislation prohibiting, 1947. *September, 279.*

Discrimination in employment. Laws of Connecticut and Oregon. *September, 278.*

Employment Act of 1946, official policy of U. S. Government. *December, 642.*

Equal pay laws. Discrimination in wages because of sex prohibited, New Hampshire, Pennsylvania; laws of 1947. *September, 283.*

Executive Order 9240. Premium pay provisions for Saturday, Sunday, and holiday work altered by; provisions. *October, 419.*

Legislation, U. S., Federal and general—Continued

Fair Labor Standards Act. National standard for employment of children established by; provisions. *December, 672.*

— State statutes of limitations for suits under. Changes in 1947. *September, 277, 283-284.*

Government employees. Strikes by. State laws, in 1947, prohibiting. Summary. *September, 281.*

Jurisdictional disputes. State legislation regulating or prohibiting, 1947. *September, 280-281.*

Labor-management relations. State legislation, 1947. Summary. *September, 278-283.*

Labor Management Relations Act, 1947. Summary of provisions. *July, 57-62.*

Labor organizations. Suits by and against, and responsibility for actions of authorized representatives. State laws, 1947. Summary. *September, 282.*

Labor Relations Acts, 1947. Enacted in Delaware; amended in Massachusetts, Pennsylvania, Utah, Wisconsin. *September, 281-282.*

National Labor Relations Act, amended by Labor Management Relations Act, 1947, Title I. *July, 58-60.*

Portal-to-Portal Act of May 14, 1947. Provisions. *August, 199-202.*

Postal workers. Rural mail carriers, annual and sick leave provisions; amendment, April 30, 1947, to law of July 6, 1945, bettering. Postmasters, fourth-class; compensation to persons substituting for, law of July 22, 1947. *September, 344.*

Public employees. (*See Government employees.*)

Public utilities. State legislation providing for regulation of disputes in. *September, 279, 281.*

Rents. Housing and Rent Act of 1947, extending control to March 1, 1948 (except on certain categories of housing). *September, 309-310.*

Safety and health of workers. State legislation establishing agencies responsible for, 1947. *September, 283.*

Social Security Act. Benefits for aged. *December, 661.*

State laws enacted in 1947. Summary. *September, 277-284.*

Taft-Hartley Act. (*See Labor Management Relations Act, this section.*)

Union registration and financial reports. Provisions of 1947 State laws requiring. *September, 282.*

Wage claims. State legislation covering; changes in, 1947. *September, 277, 283-284.*

Workmen's compensation. Occupational diseases. State legislation, 1947. *September, 277, 284; October, 415-416.*

— Second-injury funds. State legislation, 1947. *September, 277, 284; October, 415.*

— State laws providing for administration of, changes in, 1947. *October, 418.*

— State legislation, 1947; summary. *September, 277, 284; October, 415-418.*

Legislation, United States, by State:

- Arizona. Closed shop. "Right-to-work" law prohibiting, 1947. *September*, 279.
- Labor organizations. Suits by and against, legality of, 1947. *September*, 282.
- Picketing. 1947 law restricting. *September*, 280.
- Arkansas. Check-off. 1947 law restricting use of. *September*, 283.
- Closed shop. "Right-to-work" law prohibiting, 1947. *September*, 279, 283.
- Fees or assessments to unions as condition of employment prohibited, law of 1947. *September*, 283.
- Safety and health of workers. Division of industrial hygiene established in State board of health, 1947. *September*, 283.
- California. Boycotts, secondary. 1947 law prohibiting. *September*, 280.
- Hours. Women workers. Law relaxing 8-hour day repealed, 1947; permits canceled. *September*, 278.
- Jurisdictional disputes. 1947 law prohibiting. *September*, 280.
- Wage claims. Statute of limitations for; change in, 1947. *September*, 283.
- Workmen's compensation, death benefits; changes in, 1947. *October*, 417.
- Workmen's compensation, disability benefits; increases in, 1947. *October*, 416-417.
- Colorado. Hours. Women workers. Permission to exceed 8-hour day in emergency; permit and overtime requirements; 1947 law. *September*, 278.
- Safety and health of workers. State board of public health authorized, 1947, to enforce sanitary standards. *September*, 283.
- Workmen's compensation, death benefits; changes in, 1947. *October*, 417.
- Workmen's compensation, disability benefits; increases in, 1947. *October*, 417.
- Connecticut. Child labor. Agricultural employment standards set; hourly limitations extended to boys of 16 and 17 in restaurants, barber shops, and certain other establishments; 1947 law, provisions for administration. *September*, 278.
- Discrimination. 1947 law prohibiting; provisions, and role of Interracial Commission in administration. *August*, 198; *September*, 278.
- Picketing. 1947 law restricting. *September*, 280.
- State Board of Mediation and Arbitration. Enlargement of and duties. *September*, 282.
- Wage claims. Statute of limitations for; change in, 1947. *September*, 283.
- Workmen's compensation, death benefits; changes in, 1947. *October*, 416-417.
- Workmen's compensation, disability benefits; increases in, 1947. *October*, 417.
- Delaware. Boycotts, secondary. 1947 law prohibiting. *September*, 280.
- Check-off. 1947 law restricting use of. *September*, 283.

Legislation, United States, by State—Continued

National Labor Relations Act. (See under Legislation, U. S., Federal and general.)

National Labor Relations Board (U. S. Government):

New personnel authorized by Labor Management Relations Act, appointment of; operating functions outlined. *October, 439-440.*

Non-Communist affidavit; ruling on, reversing interpretation of General Counsel. *November, 565.*

Structure and internal operation; changes in, under Labor Management Relations Act, 1947. *July, 58.*

Negroes:

Employed. Occupational and industrial distribution of, by sex, April 1940, 1944, and 1947. *December, 664-665.*

— Proportion of, to total employment in each major occupational group, by sex, April 1940, 1944, and 1947. *December, 665.*

Labor force. Wartime and postwar shifts in. *December, 663-665.*

Nurses, United States:

Private duty. Percentage distribution of, by hourly rates of pay, October 1946. *November, 546.*

Private duty and staff. 1947 survey of earnings, hours, and working conditions, as of October 1946; opinions of nurses, regarding their work, by subject. *November, 544-548.*

Public health. Hours, earnings, professional expenses, conditions of work. Survey, 1947, by National Nursing Council, Women's Bureau, and BLS. Summary. *September, 302-303.*

Registered. Hours, earnings, living arrangements, and opinions regarding conditions of work. Survey made in 1947 by National Nursing Council, Women's Bureau, and BLS. Summary. *July, 20-27.*

Staff, general; duties of, and percentage of time allocated to each. *November, 548.*

Occupational diseases. (See under Workmen's compensation.)

Occupational outlook. BLS program for reporting on, fiscal year 1947-48. *October, 414.*

Occupational trends:

Employed workers, classified by major occupational group and by sex, April 1940, 1945, and 1947. *August, 140, 146.*

Wartime and postwar, comparison of; shifts in, prospects of growth, by category. *August, 139-147.*

Occupations:

Clerical. Trends, 1940-47, and future outlook; Civil war ratio. *December, 658-659.*

Farm, domestic, and unskilled. Trends, 1940-47 and future outlook. *December, 659.*

Occupations—Continued

Professional and semiprofessional. Trends, 1940-47, and future outlook. *December*, 655-656.

Sales. Trends, 1940-47, and future outlook. *December*, 658.

Semiskilled. Trends, 1940-47, and future outlook. *December*, 658.

Shifts in, wartime and postwar, by field, and future potentialities; summary. *December*, 654-659.

Skilled. Trends, 1940-47, and future outlook. *December*, 657-658.

Office of War Mobilization and Reconversion, Advisory Board. Report to President on work accomplished; issued by White House, April 27, 1947; recommendations on guaranteed wage. *July*, 40.

Older workers:

Employment problems of, wartime, peacetime; future outlook; summary. *December*, 660-663.

Labor force activity of; prewar trend, wartime participation. *December*, 638-639, 641, 643-644.

Percentage increases of, in labor force, April 1945. *December*, 661.

Output. (*See Productivity.*)

Overtime:

Belo case. (*See under Court decisions, Fair Labor Standards Act.*)

Power laundries, cleaning and dyeing. Provisions for, including week end work, in collective agreements. *August*, 162.

Paid lunch periods. (*See Lunch periods, paid.*)

Pay rolls:

BLS program for reporting, fiscal year 1947-48. *October*, 410.

Federal. Military branch, yearly, 1939 and 1943; monthly, May 1946-October 1947. (*See Current labor statistics, table A-15, July, August, September; table A-14, October, November, December.*)

— Washington, D. C.; yearly, 1939 and 1943; monthly (July 1946-October 1947), by branch and agency group. (*See Current labor statistics table A-14, September, table A-13, October, November, December.*)

— Yearly, 1939 and 1944, monthly (May 1946-October 1947), by branch and agency group. (*See Current labor statistics, table A-13, July, August, September; table A-12, October, November, December.*)

Manufacturing. Production workers; indexes; annual average, 1943; monthly (May 1946-October 1947), by industry group and industry. (*See Current labor statistics, table A-7, each issue.*)

Nonmanufacturing. Indexes; annual average, 1943; monthly (April 1946-October 1947), by selected industry group and industry. (*See Current labor statistics, table A-10, each issue.*)

Pensions:

Foundry industry, ferrous and nonferrous; extent of provision for, as of October 1946. *August*, 183.

Pensions—Continued

Glassware industry. Extent of provision for, as of January 1947. *November*, 551.

Machinery industries. Extent of provision for, as of October 1946. *September*, 320.

Manufacturing and nonmanufacturing industries. Percentage distribution of establishments having plans, by region, 1945-46. *July*, 54-55.

Metal furniture industry. Extent of provision for, as of January 1947. *October*, 499.

Nurses, general staff; provisions for, as of October 1946. *November*, 548.

Nurses, public health. Extent of provisions for, as of October 1946. *September*, 303.

Wholesale drugs and allied products; extent of provision for, as of January 1947. *November*, 554.

Perquisites. (*See under Wages and hours, U. S.*)

Picketing:

State legislation restricting, 1947. Summary. *September*, 277-280.

— (*See under Legislation, U. S., by State, for specified State.*)

Plastics products industry:

Characteristics of; processes; trends in production and employment; prospective technological changes; employment outlook. *September*, 293-301.

Disabling injuries, 1946, compared with rate for all manufacturing; nature of hazards. *September*, 296-297.

Poisons, industrial. (*See Workmen's compensation. Occupational diseases.*)

Political contributions. Legislation prohibiting, by corporations and labor organizations. *July*, 62.

Population, United States:

Estimates, by age group, years 1940 to 2000. *December*, 644.

Total and percent change in, prewar and postwar; data for countries participating in European Recovery Program included. *December*, 679-680.

Population. Western Europe. Total and percent changes in, prewar and postwar, in countries participating in ERP: United States data included. *December*, 679-680.

"Portal to Portal":

Act of May 14, 1947. Provisions. *August*, 199-202.

Idaho. Claims restricted by 1947 law; methods of determining "hours worked" set up. *September*, 283.

Postal workers. Rural mail carriers, annual and sick leave provisions; amendment, April 30, 1947, to law of July 6, 1945, bettering. Postmasters, fourth class; compensation to persons substituting for, law of July 22, 1947. *September*, 344.

Postwar. Labor force; changes in, outlook for future growth. *December*, 637-678.

Power laundries:

Discharges and quits. Miscellaneous causes for, in collective agreements, 1946. *August*, 165.

Earnings, July 1947, by city, occupation, and sex; comparisons with July 1945. *November*, 554-555.

Power laundries—Continued

Cleaning and dyeing. Characteristics; collective agreements in 33 plants, covering 65 percent of total production workers under union contracts, 1946; analysis of provisions. *August, 158-166.*

Prefabricated housing. (*See under Housing.*)

Premium pay. (*See under Wages and hours.*)

President's economic report to Congress. Midyear report, July 21, 1947. Economic situation, appraisal of; developments since first report (January 8, 1947). *September, 321-325.*

Price policies, foreign countries:

Canada. Trends, 1939-June 1947; legislation affecting; wartime and postwar stabilization program; reliance on subsidies. *October, 426-430.*

Sweden. Wartime stabilization program, voluntary control; Price Control Act, 1941, authorizing cartels, prohibiting profiteering; postwar anti-inflation program. *October, 431, 434-435.*

Prices, United States:

BLS program for reporting, fiscal year 1947-48. *October, 410-411.*

Building materials. Changes second quarter 1947. *September, 311-312.*

— Indexes of, and percentage increases, specified periods from July 1914 to June 1947. *September, 312.*

Chemicals and allied products. Changes, second quarter 1947. *September, 312-313.*

Consumers' index. Large cities. Average, specified periods; monthly (May 15, 1946-September 15, 1947), by commodity grouping. (*See Current labor statistics, table D-1, each issue.*)

— Moderate-income families; monthly (April 15 and May 15, 1947-August 15, and September 15, 1947), by city and commodity group. (*See Current labor statistics, table D-3, each issue.*)

— Moderate-income families, selected periods; August 15, 1939, January 1, 1941, and August 15, 1945; monthly (May 15, 1946-September 1947), by city. (*See Current labor statistics, table D-2, each issue.*)

Electricity. Changes in, specified periods, from December 1939 to December 1946. *November, 563.*

Farm products and foods. Changes in, second quarter 1947; comparison, June 1947 with June 1946, selected items. *September, 305-307.*

Fuels and utilities. Changes second quarter 1947. *September, 312.*

Gas. Changes in, specified periods, from December 1939 to December 1946. *November, 563.*

Housefurnishings. Changes, second quarter 1947. *September, 308-309.*

Metals and machinery. Changes, second quarter 1947. *September, 310-311.*

Miscellaneous goods and services. Changes, second quarter 1947. *September, 308-309.*

Paper and pulp. Changes, second quarter 1947. *September, 313.*

Rents, residential. Changes, second quarter 1947; changes in Federal law controlling; local advisory

Prices, United States—Continued

boards provided for; their duties. *September, 309-310.*

Retail. Foods, selected. Indexes, August 1939, monthly, May 1946 to September 1947. (*See Current labor statistics, table D-6, each issue.*)

— Food. Indexes; averages, selected periods; monthly (May 1946-September 1947), by commodity group. (*See Current labor statistics, table D-4, each issue.*)

— Food. Indexes, selected periods; monthly (May 1946-September 1947), by city. (*See Current labor statistics, table D-5, each issue.*)

Rubber. Changes, second quarter 1947. *September, 313-314.*

Textile and leather products. Changes, second quarter 1947. *September, 307-308.*

Trends, second quarter 1947; inflationary and deflationary forces evident, summary; percent changes, by item, specified periods to June 1947. *September, 304-305.*

Wholesale. Indexes; August 1939, monthly (May 1946-October 1947), by commodity group and sub-group. (*See Current labor statistics, table D-9, each issue.*)

— Indexes, selected periods; monthly (May 1946-October 1947), by commodity group. (*See Current labor statistics, table D-7, each issue.*)

— Indexes, weekly (April 5-November 29, 1947), by commodity group. (*See Current labor statistics, table D-8, each issue.*)

Prices, foreign countries:

Canada. Control of; regulations providing. *October, 426, 429-430.*

France. Black market. Growth of, late 1945 and 1946, and effect on real wages. *August, 152, 154-156.*

— Indexes of (Paris), 1938-47. *August, 150.*

— Wartime policies and controls 1939-47; stabilization program 1946-47 and problems of enforcement. *August, 154-157.*

Great Britain. Retail. Interim indexes of, July 1947. *August, 195-196.*

— Stability of, wartime and postwar periods; cost of living, indexes, 1938-47; wartime stabilization policies. *September, 285-288, 290-291.*

Japan. Government action on, July 1947. Details of stabilization program. *September, 339-340.*

Soviet Union. Consumers. Changes in, open market, ration, commercial store (Moscow), as result of decree of September 16, 1946. *July, 28-35.*

Sweden. Wartime stabilization program; Price Control Act, 1941 and its effects; cost-of-living index, January 1943 and December 1946. *October, 431, 434-435.*

Prisoners of war. (*See under Manpower, foreign countries.*)

Product:

Gross national. Government and private (product or expenditure), 1929-47; private, by factors, 1946. *September, 326-327.*

Product—Continued

Gross national. Percentage of, furnished by construction industry. *November*, 539.

Production, United States:

Gypsum and gypsum products. Annual, in the United States, 1936-46. *October*, 453.

Indexes of, September 1945, June 1947 (1938=100), including data for seven Western European countries (Belgium, Denmark, France, Ireland, Netherlands, Norway, Sweden) participating in ERP. *December*, 678.

Production, foreign countries:

France. Industrial, indexes of, 1945, 1946, and January 1947 (1938=100). *August*, 152.

Indexes of seven Western European countries (Belgium, Denmark, France, Ireland, Netherlands, Norway, Sweden) participating in ERP, September 1945, June 1947 (1938=100); United States data included. *December*, 678.

Productivity, United States:

Agriculture. Indexes of employment, production, and production per worker 1910-46; reasons for wartime increases. *December*, 651-653.

BLS program for reporting, fiscal year 1947-48. *October*, 413-414.

Construction machinery (selected). Man-hour requirements, by type of product and of labor, and by year, 1939-45. *July*, 42.

Effects of long hours on output; study of. *July*, 5-14.

Gypsum products, calcined gypsum; man-hour requirements to process into 1,000 square feet of $\frac{3}{8}$ -inch board or into 1 ton non-sanded plaster, by major department and plant size, 1946. *October*, 454-456.

Gypsum products, plaster and wallboard; man-hour requirements per unit of product, by major operation, 1946. *October*, 453-456.

Hardwood flooring. Man-hour requirements, by operation, process and plant department 1946; comparison with 1935 requirements. *July*, 49-53.

Machine tool industry, selected types. Indexes of man-hours (direct and indirect labor); plant trends and influences causing; factors affecting efficiency. *August*, 186-192.

Mining, coal. Output, per man-shift, year 1938, May 1947; percent changes, 1938 to 1947; data for United Kingdom, Netherlands, Germany (British and French zones), France, and Belgium included. *December*, 681.

Productivity, foreign countries:

Changes in and factors affecting, prewar and postwar periods, Western Europe. *December*, 681-682.

Japan. Index of, April 1947; reasons for low output. *September*, 338-339.

Mining, coal. Output, per man-shift, in United Kingdom, Netherlands, Germany (British and French zones), France, Belgium, year 1938, May 1947; percent changes, 1938 to 1947; United States data included. *December*, 681.

Publications:

BLS monthly subject index of economic data; first issue, June 1947. *August*, 174.

Publications—Continued

Notes on Labor Abroad. To be made available to public at irregular intervals; instructions for obtaining. *August*, 174.

Recent, of labor interest. *July*, 82-88; *August*, 215-224; *September*, 350-356; *October*, 468-473; *November* 581-587; *December*, 690-695.

Public employees. (See Government employees.)

Public utilities:

State legislation providing for regulation of disputes in. *September*, 281.

— (See under Legislation, U. S., by State, for specified State.)

Pulpwood logging industry. Work injuries and accident causes, 1944; working conditions. *August*, 175-180.

Radio manufacture. Straight-time hourly earnings, by sex, selected occupations, five wage areas, January 1947. *September*, 320.

Railroad workers. Sickness and maternity benefits for, July 1947. *August*, 194-195.

Rationing. Soviet Union. Steps toward elimination of, September 1946; results. *July*, 28-35.

Real wages. (See inverted title.)

Rents. Housing and Rent Act of 1947. Provisions. *September*, 309-310.

Safety:

Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August*, 164.

Workers. (See Safety and health of workers.)

Safety and health of workers:

State legislation, 1947, designating Government agencies responsible for; summary. *September*, 283.

— (See under Legislation, U. S., by State, for specified State.)

Seaboard Airline Railroad. Guaranteed employment plan; summary. *August*, 167-171.

Second-injury funds. (See under Workmen's compensation.)

Seniority. Power laundries, cleaning and dyeing. Rules for, in collective agreements, 1946. *August*, 163.

Severance pay. Power laundries, cleaning, and dyeing. Provisions for, in collective agreements, New York City, 1946. *August*, 160-161.

Shift differentials:

Foundry industry, ferrous and nonferrous. Extent of use of, October 1946. *August*, 183.

Glassware industry. Extent of use of, January 1947. *November*, 551.

Machinery industries. Extent of use of, October 1946. *September*, 320.

Manufacturing. Proportion of establishments with late-shift operations paying shift differentials, by shift and industry, 1945-46; practices in selected groups 1945-46. *August*, 184-185.

— Extent of use of, 1945-46. *August*, 183-185.

— Percentage distribution, establishments and plant employment in selected groups, by shift, 1945-46. *August*, 185.

Shift differentials—Continued

Metal furniture industry. Extent of use of and rates paid, as of January 1947. *October*, 449.

Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August*, 161.

Proportion of workers receiving, latter half of 1946, by industry, and amounts paid. *October*, 423-424.

Sick leave:

Glassware industry. Extent of provision for, January 1947. *November*, 551.

Machinery industries. Extent of provision for, as of October 1947. *September*, 320.

Manufacturing and nonmanufacturing industries. Extent of provision for, 1945-46. *September*, 333-334.

Metal furniture industry. Extent of provision for, as of January 1947. *October*, 449.

Nurses, general staff; prevalence of practice, October 1946. *November*, 548.

Nurses, public health. Extent of provision for, as of October 1946. *September*, 303.

Power laundries, cleaning and dyeing. Provisions for, paid, in collective agreements, 1946. *August*, 163.

Wholesale drugs and allied products; extent of provision for, as of January 1947. *November*, 554.

Silicosis. Benefits. Changes in occupational disease laws, 1947, Minnesota and New York. *October*, 415-416.

Statistics, current labor. List of tables. *July*, 89-90; *August*, 225-226; *September*, 357-358; *October*, 474-475; *November*, 588-589; *December*, 696-697.

Strikes and lock-outs:

Power laundries, cleaning and dyeing. Provisions restricting or permitting, in collective agreements, 1946. *August*, 166.

(See also under Labor-management disputes.)

Subsidies:

Canada. Payment of, end of 1941, to forestall wage increases; reliance on, in connection with price control. *October*, 430.

Sweden. Use of, in wartime stabilization program. *October*, 434-435.

Taft-Hartley Act. (See Labor Management Relations Act.)

Trade unionism. (See Labor organizations.)

Training. Labor force, programs to increase size of, post-war period, Western Europe; French and British plans, with summary of results. *December*, 682-683.

Unemployment. Averages, by year, 1929-46. *December*, 638, 640.

Unemployment. Italy. Registered unemployed, by industrial group, selected periods, 1946-47. *September*, 337.

Unfair labor practices. List of, under Labor Management Relations Act, 1947; administrative procedures for prevention of. *July*, 58-60.

Union registration and financial reports:

State legislation requiring, 1947. *September*, 282.

— (See under Legislation, U. S., by State, for specified State.)

Union security:

Maintenance of membership. State legislation prohibiting, 1947. *September*, 279.

Union shop. State legislation prohibiting, 1947. Summary. *September*, 279.

Union shop:

Authorized under certain conditions by Labor Management Relations Act, 1947; administrative procedures for enforcement of provision. *July*, 58, 60. State legislation prohibiting, 1947. *September*, 279.

Vacations with pay:

BLS survey of 63 manufacturing and nonmanufacturing industries; summary. *September*, 331-334.

Foundry industry, ferrous and nonferrous. Extent of provision for, 1946. *August*, 183.

Glassware industry. Extent of provision for, January 1947. *November*, 551.

Machinery industries. Extent of provision for, as of October 1946. *September*, 319-320.

Manufacturing and nonmanufacturing industries. Length of, after 1 year's service, 1945-46. *September*, 332-333.

Manufacturing industries. Extent of provision for, after 1 year's service, plant workers, 1945-46. *September*, 334.

Metal furniture industry. Extent of provision for, as of January 1947. *October*, 449.

Nurses, general staff; prevalence of practice, October 1946. *November*, 548.

Nurses, public health. Extent of provision for, as of October 1946. *September*, 303.

Power laundries, cleaning and dyeing. Provisions for, in collective agreements, 1946. *August*, 162.

Wholesale drugs and allied products; extent of provision for, January 1947. *November*, 554.

Women's blouse and waist industry. Extent of provision for, as of January 1947. *September*, 316.

Veterans:

Adjustment to civilian life; resurvey, November 1946. *July*, 62-67.

Gross weekly earnings, identical, employed, by race and age, March and November 1946. *July*, 66-67.

Labor force; postwar participation in. *December*, 642, 644.

Migration; direction of, by race, November 1946. *July*, 66.

Percentage distribution of, by employment status, age, occupational group, and race, March and November 1946. *July*, 63-65.

Power laundries, cleaning and dyeing. Reemployment rights of, in collective agreements, 1946. *August*, 163.

Vocational education. Soviet Union. Industrial training for youth; decrees providing for, summary. *November*, 569-571.

Wage claims:

Statutes of limitations for. State legislation covering, 1947. *September*, 277, 283.

 - Supplementary wage practices, as of January 1947. *November, 551.*
 - Gypsum products, calcined gypsum; man-hour requirements to process into 1,000 square feet of $\frac{3}{8}$ -inch board or into 1 ton non-sanded plaster, by major department and plant size, 1946. *October, 454-456.*
 - Gypsum products, plaster and wallboard; man-hour requirements to produce, per unit of product, by major operation, 1946. *October 453-454.*
 - Hardwood flooring. Man-hour requirements, by operation, process, and plant department; comparison with 1935 requirements. *July, 49-53.*
 - Hotels (year-round). Straight-time hourly earnings, selected occupations in 31 large cities, June 1947. *October, 450.*
 - Incentive earnings compared with earnings of time workers, selected industries, 1945-46. *November, 538.*
 - Machinery industries. Straight-time hourly earnings, October 1946. Rates, by occupation and specified area; percentage distribution, by earnings and region. *September, 317-319.*
 - Supplementary wage practices as of October 1946. *September, 319-320.*
 - Manufacturing and nonmanufacturing. Earnings and hours; average, year 1939, January 1941, monthly (April 1946-September 1947), by industry. (See Current labor statistics, table C-1, each issue.)

Wages and hours, United States—Continued

Manufacturing, durable and nondurable goods. Production workers; hourly earnings, adjusted, January 1941, January and October 1942-45, monthly, January 1946-September 1947. (*See Current labor statistics*, table C-2, each issue.)

Metal furniture industry. Straight-time hourly earnings, selected occupations. United States and selected regions, January 1947. *October*, 448-449.

— Supplementary wage practices, as of January 1947. *October*, 449.

— Wage structure, percentage distribution of plant workers by straight-time earnings, United States and selected regions, January 1947. *October*, 446-447.

Nurses. Private duty and staff. Comparison of hours and hourly rates of two groups, as of October 1946; variations, by region, and by city. *November*, 546-548.

— Public health. Salary levels, working schedules, supplementary wage practices, October 1946. *September*, 302-303.

— Registered. Monthly hours and earnings, by category and by region, October 1946; actual hours worked, by category, same period. *July*, 23, 25.

Nursing. Survey made in 1947 by National Nursing Council, Women's Bureau, and BLS. Summary of results. *July*, 20-27; *September*, 302-303; *November*, 544-548.

Perquisites. Farm workers, hired. Extent of practice, distribution by kind and region, value of, 1945. *August*, 193.

Plastics products industry. Hourly and weekly earnings, 124 plants, May 1947; straight-time hourly rates, by occupation, early 1947. *September*, 296.

Power laundries. Straight-time hourly earnings, selected occupations, 33 large cities, July 1945 and July 1947. *November*, 555.

Power laundries, cleaning and dyeing. Provisions in 33 collective agreements, 1946, analysis of. *August*, 159-162.

Premium pay. BLS study of, in 437 union agreements, covering over 2 million workers; latter half of 1946. *October*, 419-425.

— Miscellaneous types of, by industry. *October*, 424.

— Proportion of workers receiving, for Saturday and Sunday work, by industry. *October*, 421-422.

— Proportion of workers receiving, for sixth and seventh consecutive days of work, by industry. *October*, 422.

Radio manufacture. Straight-time hourly earnings, by sex, selected occupations, five wage areas, January 1947. *September*, 320.

Vermont. Investigation of, in intrastate industries, authorized; need for minimum-wage law to be studied. *September*, 283.

Veterans. Gross weekly earnings, identical, employed; comparison of, by race and age, March and November 1946. *July*, 66-67.

Wages and hours, United States—Continued

Wholesale drugs and allied products. Straight-time hourly earnings, selected warehouse occupations, by region, January 1947. *November*, 552.

— Straight-time hourly rates, selected office occupations, by region, January 1947. *November*, 553.

— Supplementary wage practices, as of January 1947. *November*, 554.

Women's blouse and waist industry. Straight-time hourly earnings, selected occupations, by sex; selected wage areas; January 1947. *September*, 316.

— Supplementary wage practices as of January 1947. *September*, 316.

— Wage structure January 1947. Percentage distribution of workers, by straight-time hourly earnings, United States and selected regions. *September*, 314-316.

Wages and hours, foreign countries:

Canada. Manufacturing. Hourly earnings, by industry group, 1939-44. *October*, 428-429.

— Manufacturing. Hourly earnings, by Province, 1939-June 1947. *October*, 428.

— Manufacturing. Hours and earnings; indexes, cost of living and real wages, annually 1939-46, monthly January-June 1947. *October*, 426-427.

— Trends and policies, 1939-47; wartime and postwar stabilization program, outlining changes in wage structure. *October*, 426-430.

— Weekly earnings, wage and salaried workers, nine leading industries, 1942-June 1947. *October*, 429.

France. Hourly and daily rates, male workers, and indexes of wage rates, 1938-47. *August*, 150.

— Hourly rates (in francs), males in cities other than Paris, October 1938 and 1946. *August*, 153.

— Hourly rates (in francs), Paris and other cities. *August*, 153-154.

— Hourly rates, January 1, 1947, by industry, sex, and class of worker; wage-rate indexes. *August*, 151.

— Monthly earnings, laborer with wife and two children, 1938, 1946, and 1947. *October*, 461.

— Paris and provinces; hourly rates, men and women workers; narrowing of historical differentials between, and between occupations; ratios of Paris to other cities, October 1938 and October 1946. *August*, 151, 153-154.

— Total wage income, by industry group, 1938 and 1946. *October*, 461.

— Trends and policies, 1938-47; stabilization program, 1946-47. *August*, 149-157.

— Trends, wages and salaries, 1938-46. *October*, 461-462.

— Wage supplements, paid by employers, for workmen's compensation, family allowances, social security, and other funds, in 1938 and 1946. *October*, 461-462.

Great Britain. Engineering and shipbuilding. Time rates; differentials between, skilled and unskilled labor, years 1914, 1927, and 1946. *September*, 290.

Wages and hours, foreign countries—Continued

- Great Britain. Indexes of rates, earnings, and cost of living, specified periods, 1938 and 1939, yearly 1940-46; monthly (cost of living and rates), January 1946 to June 1947. *September*, 285-292.
- Stability, in wartime and postwar periods. *September*, 285.
- Weekly earnings, average, by industry group, age and sex, 1938 and 1946. *September*, 288-289.
- Japan. Standard rates, fixed by Government, specified industries; and averages, by sex, March 1947. *September*, 339.
- Soviet Union. Changes in, among lower-income groups (Moscow), under decree of September 16, 1946. *July*, 28, 31, 35.
- Sweden. Hourly earnings, adult men (excluding foremen), by cost-of-living areas, 1939 and 1945. *October*, 434.
- Hourly earnings in industry, trade, and public service, by sex, 1939-46; in eight principal industries, 1939-47. *October*, 431-432.
- Trends and policies, 1939-47; stabilization program, outlining changes in wage structure. *October*, 431-435.

Wages, real, foreign countries:

- Canada. Manufacturing. Cost of living and real wages; trends, 1939-47; indexes, annually, 1939-46, monthly, January-June 1947. *October*, 427-428.
- France. Reduction in, between 1938 and 1947. *August*, 149, 152, 154.
- Great Britain. Comparison of, in 1947, with prewar levels; expenditures, personal, for consumers' goods and service, 1938 and 1946, revalued at 1938 prices. *September*, 285, 287-288.
- Sweden. Decline during World War II, recovery 1947; cost-of-living index; money earnings, real earnings, indexes of, in industry, trade and public service, 1939-47. *October*, 431-433.

Wholesale drugs and allied products:

- Bonus, nonproduction. Extent of use, as of January 1947. *November*, 554.
- Characteristics of industry; wage practices, January 1947, by region, type of establishment, unionization, and sex. *November*, 552-554.
- Group insurance. Extent of provision for, as of January 1947. *November*, 554.
- Pensions. Extent of provision for, as of January 1947. *November*, 554.
- Sick leave. Extent of provision for, as of January 1947. *November*, 554.
- Vacations with pay. Extent of provision for, as of January 1947. *November*, 554.

Women workers, United States:

- Labor force activity of; prewar trend, wartime participation. *December*, 638-644.
- Labor force. Percentage distribution, by age group, April 1940, 1945, and 1947. *December*, 669.
- Percentage of all workers, by occupation, April 1940, 1945, and 1947. *December*, 668-669.

Women workers, United States—Continued

- Labor force. Prewar, wartime and postwar participation, future employment outlook. *December*, 666-671.
- Wartime increase in numbers and proportion. *December*, 666.
- Withdrawal of women from, April 1945-April 1947; proportion of older workers remaining, April 1947. *December*, 662.
- Women in, prewar, wartime, and postwar periods, by age and marital status. *December*, 668-670.
- Manufacturing. Production workers, estimates of, by major branch, 1939 and 1943-47. *December*, 666-667.
- Production workers, estimates of, selected industries, 1939 and 1943-47. *December*, 667.
- Postwar decline in total in labor force; postwar occupational shifts by. *August*, 144-145.
- Production workers. Percentage of total, by major industry branch, October 1939 and April 1947. *December*, 669.
- State legislation affecting, 1947. *September*, 277-278.
- (See under Legislation, U. S., by State for specified State.)
- Wartime adjustments to production demands; postwar employment changes; future employment outlook. *December*, 666-671.
- Women workers. Great Britain. Equal pay (wartime), provisions for, in collective agreements; unsuccessful efforts of engineering unions to equalize rates in postwar period. *September*, 289.
- Women's blouse and waist industry:
- Bonus, nonproduction. Extent of use, as of January 1947. *September*, 316.
- Characteristics; findings based on BLS study in 173 establishments, January 1947. *September*, 314-316.
- Group insurance. Extent of use of, as of January 1947. *September*, 316.
- Health and welfare funds. Extent of use of, as of January 1947. *September*, 316.
- Vacations with pay. Extent of provision for, as of January 1947. *September*, 316.
- Wage incentives. Extent of use of, January 1947; occupations involving greatest number of incentive workers. *September*, 316.
- Workers' education. Address on "The University and Labor Education," Dr. Edwin E. Witte, excerpts from. *July*, 36-40.
- Working conditions, United States:
- Nurses, public health. Hours, earnings, professional expenses; opinions regarding conditions of work. Survey, 1947, by National Nursing Council, Women's Bureau, and BLS, summary. *September*, 302-303.
- Pulpwood logging. Unsafe conditions and acts; effect on accident rates. *August*, 176-180.
- Youth, under 18 years of age. Types of jobs, hours, and hazards, fiscal year ended June 1947; comparisons with years 1946 and 1945. *December*, 673.
- Working conditions, foreign countries. BLS program for reporting on, fiscal year 1947-48. *October*, 414.

Workmen's compensation:

- Administration. Changes in State laws, 1947; summary. *October*, 418.
- State legislation. (*See under Legislation, U. S., by State, for specified State.*)
- Death cases; benefit changes in, under State laws, 1947. *October*, 417.
- Disability cases; benefit increases in, under State laws, 1947. *October*, 416-417.
- Occupational diseases. State legislation, 1947. Summary. *September*, 277, 284; *October*, 415-416.
- (*See under Legislation, U. S., by State, for specified State.*)
- Second-injury funds. State legislation, 1947. Summary. *September*, 277, 284; *October*, 415.
- (*See under Legislation, U. S., by State, for specified State.*)
- State legislation concerning, enacted in 1947; summary. *September*, 277, 284; *October*, 415-418.
- (*See under Legislation, U. S., by State, for specified State.*)

Work stoppages:

- Developments to prevent, following passage of Labor Management Relations Act; summary. *October*, 440-441.
- Man-days idle, April-September 1947. *October*, 462.
- Statistics, stoppages resulting from labor-management disputes, selected periods; monthly, May 1946-October 1947. (*See Current labor statistics, table E-1, each issue.*)
- (*See also under Labor-management disputes.*)

Youth:

Employment problems of, after leaving school; BLS survey, Louisville, Ky., spring 1947, results of. *December*, 671-674.

Labor force activity of; prewar trend, wartime participation. *December*, 638-644.
